

Yes! Hilton Head is a friendly place.
You are welcomed here with charm and grace.
Neighbors smile—and a little later
“Hi” from your local alligator.

by Norm Levy

Hilton Head Island: Unpacked & Staying is a collection of more than 40 selections from local authors, including short stories, non-fiction features, memoirs, poems, and photographs. While the stories and poems vary from light humor to deep spirituality, each conveys the writer’s intense love of the island that we are so fortunate to call home.

“*Hilton Head Island: Unpacked & Staying* shows what an amazing variety of talents can be found in this outstanding coalition of area writers.”

Hilton Head Monthly

“... an impressive new Lowcountry anthology.”
